Case No. C 02-03378 JSW

**AMENDED STIPULATION AND
~~PROPOSED~~ ORDER RE DAMAGES
DISCOVERY SCHEDULE**

Opening expert reports on damages are currently scheduled to be due on May 31, 2006, with rebuttal expert reports scheduled to be due on June 21, 2006. Informatica only just took the deposition of BODI pursuant to Rule 30(b)(6) on May 26, 2006. In addition, BODI is still in the process of identifying a 30(b)(6) witness to speak on topics relating to BODI's finances, which is highly relevant to a damages analysis. Informatica is entitled to depose BODI before preparation and exchange of its opening damages expert report. Also, Informatica is currently still producing documents relevant to damages, and is investigating the availability of a 30(b)(6) witness to testify on damages topics designated by BODI. BODI is entitled to depose Informatica before preparation and exchange of its opening damages expert report. As both parties are still engaging in damages discovery, the parties have agreed to extend the dates for the damages expert report, with a corresponding extension for damages discovery cut-off. The schedule for dispositive motions remains unchanged. The parties hereby respectfully request the Court adopt the schedule set forth below.

In accordance with Civil Local Rule 6-2(a), attached hereto is a Declaration of Carolyn Chang setting forth (i) the reasons for the requested enlargement, (ii) a disclosure of all previous modifications in the case, and (iii) a description of the effect of the requested time modification on the schedule for the case.

IT IS HEREBY STIPULATED, by and between the parties, through their respective counsel that:
